

FCS-05

Features

- Rugged high grade Noryl
- Minimum pressure drop
- Operates from a small head of water
- Mount in any axis
- Suitable for water and air flow switching

Comments

- 3/8" BSP Male threaded fittings
- Suitable for hot and cold potable water
- Reed Switch Reliability File E125629
- Meets UL 94-HB flammability rating
- Food grade material

Applications

- Leak detection
- Flow sensing
- Mains water control
- Cooling systems
- Circulation pump protection
