

MAGNETS

PM4 Series – Compatible Magnet for PS4 Series

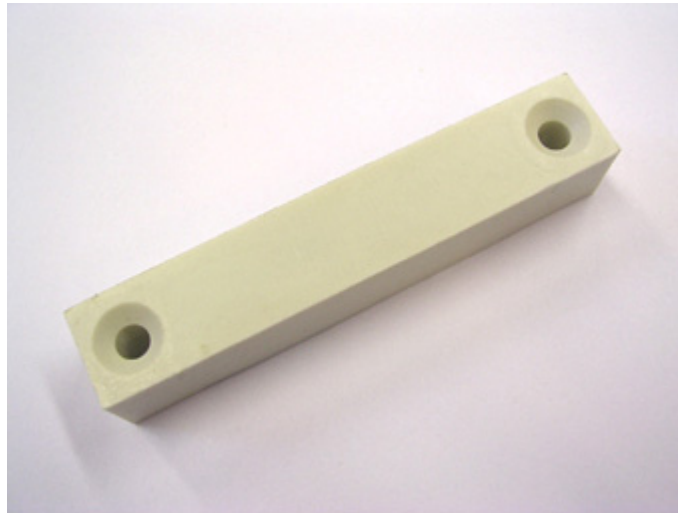

PM4

Design Features

- High quality Magnet selected

Product Comments

- Robust Nylon 6.6 housing
- Magnet selected to operate with PS4 Series
- Surface Mounted by fixing screws

Typical Applications

- Door Interlocks
- Hook Switches
- Security Systems
- Safety Interlocks
- Position Indication

Material, Design and Operation

Mounting:	Surface
Material:	Nylon 6.6
Housing Material:	Plastic
Operating Temperature °C:	70
Operate Distance:	15mm
Magnetic Approach:	Direct Axis , Parallel Axis
